LEADERSHIP & ORGANIZATIONS

Google Developer Student Club – NMSU, Las Cruces, NM

Since January 2023

University based student groups interested in growing their developer skills and/or Google development. Students learn with peers and Google employees; students also develop for their communities and local businesses.

- Weekly meetings include LeetCode solving w/ peers, reviewing resumes, and mock interviews with university mentors or Google employees.

WORK EXPERIENCE

Lab Associate – NMSU ICT Dept., Las Cruces, NM

September 2021 – January 2025

Monitored various computer labs on campus, assisted students and faculty at a help desk in each lab.

Duties include:

- Maintaining quality of the computer labs.
- Monitoring printing stations across campus, occasionally replacing parts.
- Customer service, answering students/faculty for assistance.
